Dear Hiring Manager,

I'm writing to you regarding the PHP Intern role that opened up recently. I came across the job description on [<https://www.facebook.com/eaglevisionit>] and was delighted to find that my academic accomplishments meet all of the necessary requirements. I am seeking a challenging but rewarding internship, which is why I was drawn to this exciting opportunity.

As a student at the College of Information Technology and Engineering (Purbanchal University), I have acquired skills in Laravel, PHP, html, css, bootstrap, javascript, mysql etc. Currently I am in 7th semester and have been handled projects in every semester. While in the College of BIT, I have strategically focused my coursework in the following areas:

- Web Development
- Code Management
- Survey Research
- Database Managenet
- Handle Projects
-

Using my knowledge of the above, I designed a ecommece website for final project of 6th semester and sample of portfolio.

I would be delighted to have an opportunity to personally interview with you. Please accept the enclosed resume and feel free to contact me at your earliest convenience. I appreciate your time and consideration.

Sincerely,

Mangal Tamang
